SEMINAR COMMENTS

"It is 5 AM and I am reveling in the goodness of our Lord and starting to process all the information from yesterday. Thank you for coming, for your transparency, for your vulnerability, for allowing the Holy Spirit to flow and speak through you. You touched many, many hearts—in ways you will never know. Yours is a much-needed ministry for women of all faith walks, and I pray that doors will be opened to you in many places. Thank you again. We were blessed with a "day to remember."

This is by far the best seminar I have attended. All 3 of you ladies are so God centered and filled with the Spirit of truth and conviction. Thank you from the bottom of my heart. Francine M, Green Bay, WI

THE FINGER PRINT OF GOD

"Where is God's fingerprint in your soul?" During this workshop Debra will teach you how to discern God's fingerprints in your soul and how to step into His movements, so that you can join Him. The result will be accelerated growth spiritually and emotionally.

Some of the Topics Presented During this Seminar are:

- Intimacy with God
- King Davids Style of Intimacy with God
- How to Cultivate Your Heart
- Hearing God
- Discerning God's Fingerprints in Your Heart
- The Many Ways God Speaks
- Connecting the Dots ...
- Hands On – Journaling Exercises Provided

Debra shares powerful testimonies of God's deliverance as He forewarns her of upcoming danger and invites her to join Him in prayer.

You will see God's Biblically based interactions with her and learn how to apply these scriptural truths on hearing God, in your own life so that you can discern His fingerprints. As she walks you step by step through some of her most difficult life circumstances, her focus is stayed on the Indescribable ONE – Jesus Christ – Who brings victory into every situation that we allow Him into. After all – the miracle is GOD – Himself. When He shows up – that is the miracle!

Are you noticing when God is present or are you limiting Him to your own ideas. It's time to stop underestimating God and take the limits off of what God wants to do in your life.

Step into the movements of God and see what He will do.
